PREFACE

Yesterday evening thinking that I was secure, I blocked Jill Jesson on WhatsApp, and no further emails came until there was a Vitali-Chi email late in the evening that I found the next morning. My initial reaction was to delete this one but it seemed to be prodding me with ‘Long Time No See’ We would love to see you back’ relating it to their products on sale. This 16th morning I retrieved the email from the Trash folder and replied with a short message, as shown below the other email yesterday from Barbados that I have reproduced here in full for as I wrote in my last book they have been annoying me with such emails.

 MRS THERESA MAY – PRIME MINISTER OF THE UNITED KINGDOM 1st Defendant Ref
 Z1819776/MMX HO19

The hearing of the claimant's application dated 23.06.2022 ? (2021?)
 Will take place at 10.00 AM on the 20 January 2023 at the County Court at Central London, Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL.

Time Estimate 1 hour IN PERSON before a Circuit Judge

LISTING POLICY: The court's listing policy is determined by the senior judge and implemented by staff in accordance with his directions. Your case may not be allocated to a judge until the day of the hearing, and may have to wait in the unassigned list until a judge becomes available to hear it. Every effort will be made to ensure that your case is heard at this or another convenient court. If it is not possible to provide a judge to hear your case, the court and Her Majesty's Court and Tribunal Service will not be responsible for any costs incurred in the absence of any departure from listing policy due to maladministration.

Parties should be aware that this case may be one of several cases that have been listed to commence at this time. This may mean that your case will not be called immediately at the time scheduled, but may be heard later in the day. We will try to ensure that if your case is listed in the morning it is heard by 1 pm and if your case is listed in the afternoon it is heard by 4 pm. In some circumstances it is possible that your hearing could overrun. You and any witnesses should therefore be available until the end of these periods or even later.

If there are special reasons why this is inconvenient you may make a short notice application to a circuit judge to adjourn. Ordinary inconvenience arising from the fact of being in the unassigned list will not be sufficient reason for an adjournment, nor will the fact that both parties agree to an adjournment.

ACCESSIBILITY: Please inform us as soon as possible if you, your witnesses or legal representatives have a physical disability that may affect your attendance at this court. We can make alternative arrangements for the case to be heard in a suitable court room by calling the Customer Service Team on 0300 123 3577.

FILING OF SKELETON ARGUMENTS AND TRIAL BUNDLES: Trial bundles (if applicable) should be lodged no earlier than 3 working days before the trial (unless otherwise ordered). All trial bundles should be

- . emailing RCJ.DCO@justice.gov.uk , or centrallondoncounty.dco@justice.gov.uk
- . phoning our Disability Contact Officer 0207 947 6063.

To help us provide the best help and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help we can provide. Our staff will always talk with you and agree any reasonable adjustments you need.

Conservatives

Shantanu, we're delivering on the priorities of the British people — and you made it possible.

So this budget is about building on our progress and making Britain the best place in the world to live, work and do business.

We're helping families balance work and childcare by extending 30 hours free childcare to working parents of children aged 9 months to 4 years.

Extending cost of living support with our Energy Price Guarantee at £2,500 until July — giving families the certainty they need.

We're helping to create new jobs by introducing a £25 billion tax cut for business investment over the next three years— so businesses invest in Britain and grow our economy.

We're increasing the annual pension allowance and abolishing the Lifetime Allowance entirely. So you can save more for your retirement without paying tax, helping more doctors stay in work.

And we're freezing fuel duty for a thirteenth year, saving the average driver around £100 a year.

Shantanu this is a budget for families, for businesses and for growth. So if you back what we're doing, why not chip in and help us keep going?

Help us deliver

We're delivering what you voted for — and we're able to because of your support.

So let's never forget what we're up against.

A Labour Party that left a note saying 'there's no money left'.

A Labour Party with a plan that will fuel inflation and increase borrowing.

A Labour Party that have always left office with unemployment higher than when they took over.

Shantanu, your support today will help us keep delivering on our shared priorities — and keep Labour out of power.

So if you back our budget, chip in and help us keep going.

Update:

I published this book (LONG TIME NOI SEE) in 'The Allurement of Reality in Review' Shop to register it for the records as I felt that the state was still intent of destroying me and my accomplishments. I then texted Jill Jesson on WhatsApp:

Jill, are you free for a booking for 23rd or 24th?

Jill replied instantly at 20.54hours: Yes 24 March at 12.30

I texted back: I am expecting Britton House to change my anti-psychotic medication from risperidone to aripiprazole or quetiapine tomorrow because it is not working at all now.

Jill texted back at 21.03 pm 'Oh. Does that time suit you?

I did not reply to see what the State does now.

Last Updated: 06.51 pm (UK-Time) 17 March 2023

I texted Jill Jesson on WhatsApp: 'Jill, the time is fine, but before I continue with my treatment plan I should wait for the State authorities to accept the Mental Health diagnosis that I have schizophrenia otherwise known to you as 'split mind'. Personally, I have no insight on my state of mind, but I do know that I am very different from others if not unique.'

Sorry for this delay in replying back. I went for dinner and felt mentally tired.

I need to know the truth.

I printed out my email to the Central London County Court Circuit Judge to then place it in my blue folder as the only item that I might need as I have no intention of publishing this email or I would lose my avenue for safety. I then dialled Long Catlis Road Surgery at 10.00 am to find out what was happening about my medications but no one answered the telephone. Soon afterwards I dialled Britton House and no one answered the Community Mental Health Team extension number.

At 8.12 am Jill Jesson had texted me on WhatsApp: 'That's fine. Confirm when you know'. I texted her back at 10.37 am: 'I sent an email to the Circuit Judge at the Central London County Court on E35YM660 asking for urgent decision in view of the gravity of the matter but the Judiciary did not see/acknowledge it. Subseqeuntly, I tried to contact my GP Surgery and then Britton House but neither answered to phone.'

I unsubscribed from receiving emails from Adobe acrobat in response as it was prodding me having harassed me over a year and half ago withdrawing funds from our Barclays Account that the Bank was told was fraudulent withdrawal

There were no letters for me in the post delivered to our house this Friday morning.

Deleted all emails from gmail and yahoo accounts including sent, inbox, All emails, Trash/bin and Spam

So it now remains to be seen what happens next. This book will be updated after 5.00 pm deadline today if appropriate action is not forthcoming from any part of the State authorities.

Update:

I hand wrote this in my notes at 12.28 pm 'indeed email came into yahoo account 'Update CV'. Besides a history of combat with indeed several years ago that it is now prodding me to activate, updating CV with the Conservative Libertarian Publications Limited will lead to disaster, it might even lead to immigration issue being revisited. Finally, I left it standing without deleting it as it is the Supreme Court that I had accused it of, so after 5 pm I would keep the option open to hit back after the deadline for County Court of Central London is completely covered on this Friday, as the Supreme Court's decision that I am free to apply for jobs in the United Kingdom with my credentials intact.

The actual response that I sent out came after another opportunity arose while I was preparing to type something back to indeed, in that a delayed auto reply came from Rehman Chishti MP to the CRIMINAL HARASSMENT (E35YM660) matter:

Dear Rehman

Thank you for this delayed autoreply. It is much appreciated but this matter appears to have been resolved by the Supreme Court of the United Kingdom in the email that I received earlier today from the agency for the Supreme Court, namely 'indeed', as attached:

FrIndeedAgencyfortheSupremeCourtoftheUnitedKingdom.docx, in relation to the attached correspondence: ToCircuitJudgeCenLonCtyCrt(CLAIM E35YM660)17Mar2023.docx.

I have a long history of combat with indeed several years ago that it was now prodding me to activate the conflict by updating my CV with the Conservative Libertarian Publications Limited employment details or at least that is what I first thought for it would lead to disaster for me as it might even raise the issue of my immigration status to be revisited. So I finally left the email standing without deleting but then realised that as in the past I had accused 'indeed' of substituting itself for the Supreme Court of the United Kingdom in its dealings with me, and what if this still holds true; so

that after the 5.00 pm deadline set for the County Court of Central London for a final decision on the disposal of E35YM660, I would be able to apply for fresh new jobs with my credentials intact in the United Kingdom and possibly also receive some £5 million in compensation from the UK Treasury.

If my understanding is not correct, I look forward to your Parliamentary report on this matter within 14 days as stated in your autoreply email.

Best wishes

Yours sincerely

After receiving the second Smile Nectar email, and before the 4.00 am official Court time, I published the two emails in Daily Bulletin otherwise they would have lost their meaning and I did not wish to wait for 14 days for Rehman Chisthi to reply. I tweeted, facebooked and posted the two posts in LinkedIn.

Now we see who is supreme, the Justices of the Supreme Court or Parliament in this matter. Whoever comes in first is the supreme leader according to the Constitution of the United Kingdom which is unwritten: Kent Police are nowhere in sight for criminal actions continue on me. At first I had thought that the documents will be kept with me safe for Defence in a criminal court and so not to be published, but this is continuing the battle with the State to establish my reputation that these are all bodies of the State and so it has to be brought into the public domain now so that appropriate charges are formulated against me that I would be only too pleased to defend against now:
